

## Employer History

Founded in 1968 in La Roche-sur-Yon, France, Groupe Atlantic grew into **one of the leading players in the HVAC** (Heating, Ventilation, Air Conditioning) **industry**. With over 13.000 employees worldwide, 31 industrial sites, 44 commercial sites and 21 brands under its umbrella, we are looking to extend our facilities in Romania as well.

## Core Skills and Values

- We always target excellence for all our customers, ensuring **long-term development** as well as **short-term results**.
- We admire and encourage **open-mindedness, initiative, and action** within our company, and we fully accept the risks involved.
- We aim for collective efficiency, and we commit and meet commitments with **transparency to inspire trust**.
- **Development of expertise in our field** is one of our core values and we always do our job thoroughly but don't take ourselves too seriously!

## Accreditations

# EMPLOYEE RECOMMENDATIONS

*"We are starting our new manufacturing site in Romania to develop, produce and deliver eco-efficient, high-quality, and affordable domestic hot water cylinders."*

**Tomasz Juda**  
Plant manager

*"GROUPE ATLANTIC in Romania is one of the biggest and most ambitious projects I've ever worked on."*

**Beatrice Stanica-Marinescu**  
HR Manager

*"From an Industrial point of view, GROUPE ATLANTIC in Romania will benefit from the expertise of many employees within the group."*

**Jean-Luc Coussot**  
Industrial - Maintenance Responsible

The success foundation is the long industrial experience of the GROUPE ATLANTIC, best-in-class processes, and engaged and constantly learning staff who are highly professional, close to our customers and act with flexibility and agility.

Here we benefit of the French group know-how and of continuous investment in all of GROUPE ATLANTIC employees. The experience here is about cooperation, creativity and development."

Collective efficiency is one of our fundamental principles for this ambitious project. We would be delighted to welcome you, with a simple credo: Manufacture the best product for the satisfaction of our customers.
